

7th Annual Friends of COF Benefit Golf Tournament

Sycamore Ridge Golf Course • Spring Hill, Kansas
Thursday, June 7th • 8:00 a.m. Shotgun Start

Challenge yourself to play 18 holes of Sycamore Ridge golf for a day to benefit the Friends of COF. Sponsors and players will be thrilled to know their investment in the event means they are helping COF to provide support for more than 300 individuals with intellectual/developmental disabilities such as Down syndrome, cerebral palsy, epilepsy, and autism. Individuals with disabilities like this need ongoing support for these life-long conditions. COF is the only 501 (c) 3 Non-Profit Community Service Provider in Coffey, Osage, and Franklin Counties for individuals with these types of disabilities. COF provides a wide array of support services in these three counties and beyond; including supported employment, community living opportunities, health monitoring, transportation, and recreational activities.

Who are the Friends of COF?

The Friends of COF Foundation, Inc. is the fundraising arm for COF Training Services, Inc. (COF). The group was started when concerned parents and members of the public from within the three counties COF operates came together to help raise funds to offset the drastic funding cuts the non-profit was facing from the State of Kansas.

COF will celebrate 50 years of service in September 2018 and needs the support from the Friends to help ensure continued support to the intellectually and developmentally disabled adults served by COF.

**The individuals who receive services from COF
and The Friends of COF thank you for your support!**
